

Around the world in one page interfaces

A journey without borders

Around The World In One Page

Scroll down, and let every section take you to a new stop.

Start journey →

Scroll down

Second Stop

The Golden Desert

Endless sand stretches to the horizon, a sun drifting slowly above, and a lone camel crossing the silence.

Third Stop

The City That Never Sleeps

Windows flicker on and off like the city's breath, while neon lights tell the story of the night.

Fourth Stop

The Blue Ocean

Restless waves, a ship swaying gently, and bubbles rising toward the light.

Fifth Stop

The Endless Space

An astronaut floats freely, planets spin in silence, and stars flicker from distant worlds.

End of journey

The world is huge... but you just
visited it in one page.
